

Conceptual License Structure & Fees

Arizona Game and Fish Department

Comment: LicenseSimplification@azgfd.gov

Goals

- Simplification of license structure
- Allows the Commission/Department to operate like a business
- Provides Commission flexibility to adjust license, permit-tag structure and pricing to meet customer demand and market conditions

Guiding Principles

- Consider prior statutory fee caps
- Remove barriers for recruitment of new hunters/anglers
- Simplified structure, bundled privileges, reduced cost for youth
- Maintain revenue & services
